

GROUP 1: STRATEGIC PLANNING FRAMEWORK

- 1. Does the plan as a whole make sense to you? Is anything obviously missing? Did anything surprise you?**
- 2. What specific actions should the leadership of the PGME undertake over the next 5 years to meet its goal of *“enabling and supporting our partners and programs to establish, meet and exceed best practices in the education of physicians as emerging leaders in medicine”***
- 3. Are there elements in the strategic plan that are a priority for you?**
- 4. What components of the plan do you think are related to PGME infrastructure and Office functions?**
